

OUR TOUGHEST BRAKE PAD...
FOR YOUR TOUGHEST APPLICATIONS.

OUR CUSTOMERS SEE THE DIFFERENCE...

"Wagner's SevereDuty brake pads last much longer than previous police pads we've used, which is why we changed to them. Our team is thrilled with their performance."

DeWayne Hurts, Shop Manager
Louisiana State Police (LASP) Test Track

"Lasts 20% longer than others. For noise, wear and stopping... SevereDuty is the one I recommend."

Tom Jones, Fleet Vehicle Technician
Park City, Illinois

"(SevereDuty) lasts twice as long as others. I would recommend this brake pad to fleets and municipalities that want to increase braking performance and rotor life."

Mike Monroe, Bloomfield Township Police Department
Bloomfield, Wisconsin

"(SevereDuty) offers great performance and pad life. There is no comparison out there — it exceeds the others."

Chris Tesinsky, Department of Transportation
State of Illinois

"I've been using SevereDuty for twenty-plus years — they're quieter and last longer. Our customers get great overall performance...and we get no customer complaints."

Tom, GCR Tire Center
South Windsor, Connecticut

"These brake pads are heavy duty, last long and don't squeal...other brands wear out very quickly. I recommend Wagner SevereDuty for any taxi cab, police vehicle or any other fleet programs."

Malcolm Ratner, Susan Maintenance
Brooklyn, New York

INSTALL THE BRAKE PAD ENGINEERED, TESTED AND CERTIFIED FOR THE EXTREME

Wagner® SevereDuty™ brake pads are exclusively engineered for vehicles driven in extreme environments. These dependable and durable friction products meet or surpass stringent testing and quality standards required by the toughest customers.

Wagner Brake engineers go beyond standard dynamometer testing with rigorous OE on-vehicle tests that ensure Wagner SevereDuty brake pads perform as designed. That's why vehicle fleets install them...and depend on them.
