

DORMAN WIPER MOTOR AND TRANSMISSION ASSEMBLIES

THE CLEAR FAST AND EFFECTIVE SOLUTION.

Are you replacing individual wiper motors or transmissions? Are you sure your customers aren't going to just come back soon needing additional wiper repairs?

Our complete wiper motor and transmission assemblies save you time, money and headaches by allowing you to make one complete repair the first time. These 100 percent new solutions can save up to 35 percent on total repair time.

35%

Labor Savings

Saves money – replacement as one unit can reduce total labor cost by 35 percent

Saves time – eliminates need to replace individual parts and manage refurbished parts

Reduces headaches – new construction and complete repair reduces likelihood of customers coming back with more problems

Limited lifetime warranty
